ARCHITECTURAL CONTROL EVALUATION AND RESPONSE

Thank you for submitting your plans for exterior changes. The Committee has reviewed your specifications and respond as follows:

- Your application has been approved for the specified modifications. Any revisions or alterations require re-submission prior to commencement. Approval denotes compliance with the Deed Restrictions and carries no warranty regarding structural fitness, compliance to building codes, assurances against encroachments, etc. We hope you enjoy the enhancements to your home.
- Once work has commenced, it must be completed within thirty days unless otherwise noted below.
- The Committee requests additional information prior to processing your request. Please return all original documents with the additional information. *Additional information requested is noted below.
- Your specifications do not meet your neighborhood guidelines as presented. Please reassess and re-submit your plans.
 - a. Color selection is not an approved shade
 - b. Height or size limitations are exceeded
 - c. Placement on lot appears to violate front set-back lines or side/rear easements
 - d. Construction materials are not in accordance with guidelines
 - e. Other, please see below
- Additional information: _____

Authorized Association Representative(s): _____ Date: _____

Authorized Association Representative(s): _____ Date: _____

INSTRUCTIONS

Sketch your lot showing property lines, front and side streets, outline your house and driveway, and then insert any proposed addition (room, outbuilding, fence, etc.) Feel free to enclose photographs, sales literature, catalog pages, etc.

INFORMATION REQUIRED:

1. House painting—attach 2 copies of your color choice to the box on reverse side. If you are applying for a base paint color with a different color trim, please include two samples of each color.
2. Roofing Materials: Attach a small sample of the shingle to box on reverse side. State type, weight and color of shingles.
3. Addition of fence, other structures or outbuildings (patio cover, storage building, greenhouse, fort/jungle gym, satellite dish, etc.) - draw location of improvement on sketch and give dimensions including height, length, width and distance from each fence; list construction materials to be used.
4. Room Additions: All above items plus elevation and side view; show windows, doors, slope of roof, etc. Indicate all construction materials for exterior walls, roof, etc.

DRAW SITE PLAN HERE. ADD ADDITIONAL SHEETS IF NEEDED.
